Administrative Action

FINAL ORDER  
OF DISCIPLINE

This matter was opened to the New Jersey State Board of Nursing ("the Board") upon receipt of information which the Board has reviewed and on which the following findings of fact and conclusions of law are made:

FINDINGS OF FACT

1. Respondent is a registered nurse in the State of New Jersey, whose license expired on May 31, 2012.
2. On or about July 26, 2011, the Kansas State Board of Nursing revoked respondent's nursing license based upon findings of her having engaged in fraud or deceit in procuring or attempting to procure a license, professional misconduct, and failing to furnish the Kansas Board with requested information. (Exhibit A)
3. Respondent did not report this action to the New Jersey Board as required by N.J.A.C. 13:37-5.9.

### CONCLUSIONS OF LAW

1. The revocation of respondent's nursing license by the Kansas Board subjects respondent to sanctions pursuant to N.J.S.A. 45:1-21(g).
2. Respondent's failure to notify the Board of the Kansas action subjects respondent to sanctions pursuant to N.J.S.A. 45:1-21(h) for the violation of N.J.A.C. 13:37-5.9.

Based on the foregoing findings and conclusions, a Provisional Order of Discipline was entered on October 5, 2012, provisionally suspending respondent's New Jersey nursing license. A copy of the Provisional Order was forwarded to respondent at her address of record by certified and regular mail. The Provisional Order was subject to finalization by the Board at 5:00 p.m. on the 30<sup>th</sup> business day following entry unless respondent requested a modification or dismissal of the stated Findings of Fact or Conclusions of Law by submitting a written request for modification or dismissal setting forth in writing any and all reasons why said findings and conclusions should be modified or dismissed, and submitting any and all documents or other written evidence supporting respondent's request for consideration and reasons therefor.

The record reflects that the certified mailing of the order was returned unclaimed, and the regular mailing of the order was not returned. No response has been received to date. The Board considered this matter and determined that service had been effected, inasmuch as the mailings of the Provisional Order had been sent to respondent's address of record with the Board. The Board further determined that inasmuch as no discrepancies had been raised with respect to the findings and

conclusions of the Provisional Order, further proceedings were not necessary, and the Provisional Order should be made final.

ACCORDINGLY, IT IS on this 4<sup>th</sup> day of January, 2013, ~~2012~~ AC

ORDERED that:

1. Respondent's New Jersey nursing license is hereby suspended..

Respondent may not seek reinstatement of her license until her Kansas nursing license has been reinstated.
